

Yuan Ching Secondary School

18 December 2024

Dear Secondary 1 Students,

A warm welcome to the Yuan Ching family!

To ensure a smooth transition into secondary school life, we have planned an **exciting** Secondary 1 Orientation Programme just for **you!** This will be a wonderful opportunity for you to familiarise yourselves with the school, bond with your new peers, and embrace the values and spirit of Yuan Ching.

On the first day of orientation, do look out for our friendly student councillors, who will also serve as your Orientation Group Leaders (OGLs) throughout the 4-day programme. They will be easily recognisable in their black polo tees, and are excited to guide and support you during this meaningful start to your secondary school life.

In the following section, you will find key details about the orientation schedule, attire, and items to bring along. Please read through the information carefully to help you prepare for this memorable start.
