

Welcome Message to Sec 1 Students

Dear Secondary One Students,

A very warm welcome to the Yuan Ching Family! We congratulate you on your successful completion of the Primary School Leaving Examination, as well as your admission to Yuan Ching Secondary School (YCSS)! As you embark on your secondary education, you may look forward to an exciting journey and enjoyable holistic learning experiences in our school.

The first week of school will be an exciting one. Our Student Council has planned a week of orientation activities from 3 to 6 Jan 2023 especially for you. You will familiarise yourselves to the school environment and get to make new friends. There will also be a CCA showcase on 13 Jan to help you make an informed decision on your choice of CCA!

In Secondary school, you will have more flexibility to practise self-directedness in planning and managing your learning, especially on Blended Learning days. Through the Personalised Digital Learning Programme (PDLP), you will also own an iPad and use it for learning! With regards to your academic curriculum, you will take on new subjects such as History, Geography, English Literature, Food & Consumer Education as well as Design & Technology.

Don't worry, when you transit from Primary to Secondary School, we will be there to support you! As our school motto goes, 'Efforts Today, Rewards Tomorrow'. We believe so long as you have a good attitude and positive mindset, you will be able to do it!

We are thrilled that you are joining us and cannot wait to start this exciting new journey together with you! See you on 3 Jan 2023!

Sincerely,
